CUSTOMER THIRD PARTY PAYING AGENT (if chosen by or mandated by customer)

MESCA will be relying on the credit of the customer. MESCA will ultimately look to Customer for the payment of all charges due hereunder in the event such charges are not paid by Customer's paying agent. Customer and its agent will be jointly and severally liable for payment of freight charges incurred in connection with services provided.

By signing this Credit Application you are authorizing MESCA Transport Services to contact commercial credit reporting agencies at any time for disclosure of all company credit information. Credit Terms are Fifteen (15) Days upon receipt of invoice. Invoicing occurs after delivery without a POD (which is collected and maintained by MESCA Transport as part of the shipment documentation). Your signature below is acceptance of these credit terms.

Quick Start Shipping Program

- What** A Preferential LTL, Volume & Truckload Freight Shipping Program
- Who** For New MESCA Clients exploring comprehensive transportation and Freight Management options to maximize value and minimize cost
- How** Enjoy the advantage of MESCA Transport's purchasing power **immediately**. Volume shipments can save even more for shipments of several pallets or several thousand pounds
- Where** Ship outbound from your facility to your customers or inbound from vendors to you. Save money and quite possibly improve service options and choices
- When** **Immediately!** Just fill out and return the Credit Application on the reverse side
- Why** Because we honestly want to help save you money and provide outstanding service to both internal and external customers.

While we work closely with you to fully evaluate your current transportation operations, we provide our knowledge, industry experience and purchasing leverage to start helping your operation **immediately**. It also helps us learn more about your operations, vendors, and customers. Your company wasn't built in a day and our Free Comprehensive Freight Analysis takes some time to be thorough and of high value to you. We commit to provide an unbiased evaluation taking in all modes of transportation and avenues of freight spending today. You decide what services and recommendation to act upon.

No strings, no contracts, no gimmicks, no kidding!

Start saving now while we work with you to truly fine tune your company's overall transportation operation
